

# Senior Tribute Information

Senior tributes are a decades-long tradition for Cy Creek HS. Honor your graduate with a personalized space in the award-winning CCHS yearbook. By purchasing a tribute in the 2022 *Cougar Pride* yearbook with warm wishes for your graduating senior, you are commemorating your student's hard work and success. Profits from tributes help the yearbook staff create a full-color book to be delivered in the spring. Please note that this is one of the most popular sections of the book and space sells out quickly! You may purchase and upload your photos and message at

## PHOTOS and PAYMENT ARE DUE DECEMBER 1, 2021

- We publish an all-color yearbook. Unless you specifically request black & white, all photographs will be printed in color.
- Because of copyright laws, studio or professional photography are not acceptable unless you provide written consent from the studio or photographer giving permission for publication.
- We do not publish photos containing any sort of nudity, illegal activity, weapons, red solo cups, or bathing suits (unless the student is a competitive swimmer). Any photo deemed inappropriate could be rejected. CCHS administration will make final decision on case-by-case basis.
- Because of copyright restrictions, song lyrics, poetry and other published materials may not be used. Materials written prior to 1920 are acceptable. (Shakespeare, Bible verses, ancient Greek works.)
- All ads are designed to match the book's theme by the yearbook staff - no exceptions. Yearbook is an educational class and learning to work with a client is an important skill for students to learn. Thus, **we do not accept any pre-designed ads.**

# CONTRACT AGREEMENT

The design of the senior tribute section is chosen and created by students to match the overall design and theme of the 2020-2021 yearbook. Purchasers will receive a proof by email and have 72-hours to respond with any corrections. If purchaser does not turn in materials by the deadline then the 72-hour window may not be awarded. If purchaser fails to respond to the email, the yearbook staff will proceed with printing the ad. The yearbook is 100% created by students and mistakes happen. Therefore, we have you proof the material. No refunds will be given for grammar, spelling or punctuation errors or if the purchaser is unhappy with design. Purchasers agree to abide by copyright law and by guidelines outlined in this packet. The faculty adviser has the right to reject any photo and request another in its place. Only siblings may share a tribute ad. Purchasers may request tributes to appear near another student's, but we cannot always fulfill those requests. Orders turned in after deadline may not appear with other tribute ads depending on space. While we do our best to protect materials turned in, accidents do happen and sometimes photos are lost.

By purchasing your ad on Balfour.com and opening this email, you agree to the terms listed above. Emails and documents are tracked with read receipts.
